Regular Team Formation Rules

U-11 and above evaluations are conducted between the day after the conclusion of the MYSA Summer State Tournament and the 3rd Sunday in October. Developmental players (U-09 & U-10) are conducted in February for the next season.

Players must be registered prior to the evaluation session to be considered. Players should be commited to playing for LSC when they register.

The Player's skill and athleticism is evaluated by outside evaluators with players ranked in an Order of Evaluation list. Coaches who have committed to coaching the next season may observe the evaluation sessions take notes and participate in the team selection; however they have no input into the Order of Evaluation list.

Players may request to play with grade (up an age group); this must be done prior to evaluations. Players will then attend the grade group evaluation session(s). Requests to play with grade after evaluations will only be honored at the convenience of the club. Players will only be evaluated at their age or class groups.

Goalkeeping evaluations will be coducted during the scheduled evaluation sessions. Players need to indicate that they would like to be evaluated.

Players are encourage to participate in all evaluation sessions, player who do not participate in the all evaluation sessions could have their placement effected!

Teams are selected from the Order of Evaluation by a Selection committee chaired by the Director of Travel and composed returning coaches of the gender and age group, the Manager of Player and Coaching Development, and the Manager of Travel. The selection process continues until all players are selected.

Age Group	Team Size	Evaluation Player Pool	Evaluation	Coach
U09 and U10	8 to 12	Top 20-30	Top 5	5-7 from Pool
U11 and U12	10 to 14	Top 24-35	Top 7	5-7 from Pool
U13 and Above	11 to 18	Top 32-40	Top 9	6-9 from Pool

Evaluation pools will be adjusted based on the number of players evalusted.

U17, U18 & U19 teams in accordance with USSF/MYSA can be rostered up to 22 players.

If in the judgment of the Selection committee, players would be better served by fielding balanced teams (example 2 balanced C2 teams vs. top and lower C2 teams.) such teams will be formed.

Regular team rosters will be posted on the LSC website www.lakevillesoccer.org within 2-3 weeks after the evaluation. Players may be moved up at the discretion of the LSC in order to fill teams and maximize player participation.

Players not registered or evaluated will be placed on the lowest team, exceptions are limited to:

- Players who move into the community after the evaluation sessions who demonstrate athletic skill ability to play at a higher level, may be placed higher;

- Players who are registered but injured and sign in at evaluations and were evaluated by their former LSC coach in the top half of their team based on coach evaluations submitted at the end of the prior season may be considered for higher placement;

- Registered players who notify in writing prior to the evaluation sessions that they will be absent with the reason for the absence, and they were ranked by their former coach in the top half of their former team may be considered for higher placement.

- No player will be displaced by any player under the above circumstances, nor will teams be over-rostered.
